God Who Moves the Mountains

Corey Voss

He is not confined, He confounds
He will not resign, He resounds
He is not restrained, hear the sound
Oh hear the soundRocks are falling
The broken calling
To the God who moves the mountains
The earth is shaking
The weary waking
To the God who moves the mountains
You've gotta move this mountain
He is not surprised, He surrounds
He can not be stopped, He astounds
He is drawing near, hear the sound
Oh hear the sound!Rocks are falling
The broken calling
To the God who moves the mountains
You've gotta move this mountain
The earth is shaking
The weary waking
To the God who moves the mountains
You've gotta move this mountain
You say speak, and we say, "move"
You say watch, what You can do
You say trust, and then You prove
You're the God who moves the mountains
The God who moves the mountains
You say speak, and we say, "move"
And You say watch, what You can do
And You say trust, and then You prove
You're the God who moves the mountains
The God who moves the mountains
