

# Idiots Rule

## Jane's Addiction

I got a lie  
A fat fuckin' lie  
About a law  
Idiots obey  
They made it easy  
Now cheaters have their way  
You hi-di-ho's  
You're living on your knees

Forget the rule!  
Oh - idiots rule!  
Forget the rule!  
Oh - idiots rule!

Now there's a time...  
But I say non like now  
There's a time  
Where idiots are bound  
If there's a pole  
Planted in your back  
Then you're a fixture  
Not a man

Forget the rule!  
Oh - idiots rule!  
Forget the rule!  
Oh - idiots rule!

Idiots!  
Idiots rule!  
Idiots!  
Idiots rule!  
Idiots!  
Idiots rule!

You know that man  
You hate?  
You look more like him  
Every day everyday  
Hi-di-hos!  
2 good shoes

Won't save your soul

Idiots rule!

Idiots rule!
