

Don't Let Me Down (Remastered)

Bad Company

If I had a love that was so true
Then I wouldn't have to make do
With the half a love that I have found
That is tearin' me down to the ground Don't let me down, don't let me down
Don't let me down, tell me love can be found If I had a love that was so real
And who would know the way I feel
I want all your love today
Just to keep me from fading away Don't let me down, don't let me down
Don't let me down, tell me love can be found
