

I Wish Everyday Should Be Christmas

Shelley Duvall

Ching a ling ding a ling
Bells start ringing
Every single day
Ching a ling ding a ling-voices sing
Today is Christmas day

There'd be peace and joy for everyone
We could live in harmony
If every day could be Christmas day
The whole world would be free

I wish every day could be Christmas
What a wonderful world it would be
I wish every day could be Christmas day
For kids like you and me

Ching a ling... ding a ling...
Bells start ringing
Every single day
Ching a ling ding a ling-voices sing
Today is Christmas day

There'd be hope and love for everyone
We'd all stand side by side
Our pain and fear will disappear
With the coming of yuletide

I wish every day could be Christmas
What a wonderful world it would be
I wish every day could be Christmas day
For kids like you and me

The kids would gather 'neath the tree
Black, yellow and white
Join hands and pray a little prayer on high
And God above would send his love
Peace good will to men
And a million stars would twinkle in the sky

I wish every day could be Christmas

What a wonderful world it would be
I wish every day could be Christmas day
For kids like you and me
