Stone Cold

HammerFall

Outcast a time of war, where mankind lost control
Of life and death, under surveillance
I watch the children pray, while God just turns away
Our in the ruins they seek shelterThese streets were once my home
But those golden days are gone
Now I'm fighting to surviveStone cold
Stone cold, man or machine
Stone cold
Stone cold, the end of our dreamThe word is on the street, it's kill or to be killed
With no exception you are on your ownWe should have seen it all along
The writings on the wall
Tell me, what have we becomeStone cold
Stone cold, man or machine
Stone cold
Stone cold, the end of our dream
Stone cold
Stone cold, man or machine
Stone cold
Stone cold, the end of ourWho do you believe in now
When the prophecy came true, the final deja vuWe should have seen it all along
The writings on the wall
Tell me, what have we becomeStone cold
Stone cold
Stone cold
Stone cold
Stone cold
Stone cold, man or machine
Stone cold
Stone cold, the end of our dream
Stone cold
Stone cold, man or machine
Stone cold
Stone cold, the end of our dream
