The Trucker

Military Arcade

Call the number on the restroom surface,
For a little bit of sexual fiasco,
Pull your pants up now it's time to go,
Fill your pipe with your final crack-cocaineBeen on this road for a long time,
Pit stop at the local liquour store,
Drink myself to death cos I don't care,
Fill your pipe with your final crack-cocaineWhat a day, what a day
What a strange strange day
What a day, what a day
What a strange strange day
Ain't no room that I won't pay for,
Fill your pipe with your final crack-cocaine
