

All I Can Do Is Write About It (Acoustic Version)

Lynyrd Skynyrd

Well, this life that I've live has took me everywhere
There ain't no place I ain't never gone
But it's kind of like the saying that you heard so many times
Well, there just ain't no place like homeDid you ever see a she-gator protect her young
Or a fish in a river swimming free?
Did you ever see the beauty of the hills of Carolina
Or the sweetness of the grass in Tennessee?And, Lord, I can't make any changes
All I can do is write 'em in a song
'Cause I can see the concrete slowly creepin'
Lord, take me and mine before that comesWould you like to see a mountain stream a-flowin'?
Would you like to see a youngin' with his dog
Did you ever stop to think about, well, the air your breathin'?
Well, you better listen to my songAnd, Lord, I can't make any changes
All I can do is write 'em in a song
Yes but I can see the concrete slowly creepin'
Lord, take me and mine before that comesI'm not tryin' to put down no big cities
But the things they write about us is just a bore
Well, you can take a boy out of ol' dixieland
Lord but you'll never take ol' dixie from a boyAnd, Lord, I can't make any changes
All I can do is write 'em in a song
Yes but I can see the concrete slowly creepin'
Lord, take me and mine before that comes
'Cause I can see the concrete slowly creepin'
Lord, take me and mine before that comes
