Sleep Like a Baby Tonight

U2

Morning, your toast, your tea and sugar,
Read about the politicianâ€™s lover
Go through the day like knife through butter
Why donâ€™t you
You dress in the colours of forgiveness
Your eyes as red as Christmas
Purple robes are folded on the kitchen chair

Youâ€™re gonna sleep like a baby tonight
In your dreams, everything is alright
Tomorrow dawns like someone elseâ€™s suicide
Youâ€™re gonna sleep like a baby tonight

Dreams,
Itâ€™s a dirty business, dreaming
Where there is silence and not screaming
Where thereâ€™s no daylight, thereâ€™s no healing

Youâ€™re gonna sleep like a baby tonight
In your dreams, everything is alright
Tomorrow dawns like a suicide
But youâ€™re gonna sleep like a baby tonight

Hope is where the door is
When the church is where the war is
Where no one can feel no one elseâ€™s pain

Youâ€™re gonna sleep like a baby tonight
In your dreams, everything is alright
Tomorrow dawns like a suicide
But youâ€™re gonna sleep like a baby tonight
Sleep like a baby tonight
Like a bird, your dreams take flight
Like St Francis covered in light
Youâ€™re gonna sleep like a baby tonight
