

Dagga Puff

Die Antwoord

Yo, wat pomp?
Het jy die shit?
Ja, my bru, jy weet mos
Ja, maar nou kyk hier
My bru, jou moet nie my vir 'n fokken poes vat nie
Kyk hier nou, my bru, ek vat nie vir jou vir 'n poes nie man
Ons ken mos mekaar, is ons kla gepraat?
Ja, okei, maar ek soek nie daai kak nie
Ek soek die shit, het jy die fokken shit, my bru?
Ja, ek het die shit, my bru, hierdie shit is die shit
Nooit kak nie
Ek sal nooit daai kak vir jou verkoop nie
Ek staan hier op die fokken hoek, hulle ken my
Vra enige iemand, hulle sal vir jou se
"Rompelstompel, ja, daai ou se shit is die shit, my bru"
So dis die shit, ne?
Ja my bru dis die shit
Jy vat my nie vir n fokken poes nie?
Naai, ek vat nie vir jou vir n poes nie, my bru
Ok, let's do this
Dagga, dagga, puff, dagga, dagga, puff, puff
Ek's lus vir 'n bietjie bobbejaantwak
Let's phone Clive, hook up some love
Dagga, dagga, dagga, dagga, puff, puff, puff
O, liewe Here, man, it smells so good
Stinky sticky fingers mull, mull, mull, mull
Roll it up tight, gimme that light
Dagga, dagga, dagga, dagga, aflaai
Spokie in die rokie soos n reenboog
Twee rooi ogies, jus, my mond's so droog
Nogge puff puff, lekker laf lag
Dagga, dagga, dagga, dagga, gag gag gag
Off to the cafe with a rumble in my tum
Got the money for the munchies yum yum yum
Chappies bubblegum, or a bucket full of fun
Dagga, dagga, dagga, dagga, dum dum dum
Early in the morning, smoke a big fat spliff
Nothing quite like it, like a spaceman spiff
First you feel kief, then you get muf

Dagga, dagga, dagga, dagga, sif, sif, sif
What you have to do today? Oh, a lot of stuff
 Ag man, los it, bra, take another puff
 Jirre, nice laugh, sit jou mind off
Dagga, dagga, dagga, dof, dof, dof
Ring-a-ring-a-rosie, rappers bop to the beat
 Pass to the left skoppe ill free style
 Julle is deep, everyone freak
Dagga, dagga, dagga, dagga, weak, weak, weak
 Lekker insane in the membrane, bro
So many fokken lekker rappers come and go
 Used to be the ou, nou's jy fokken flou
Dagga, dagga, dagga, dagga, yo, yo, yo
Schizophrenic panic, "Shit, it's the fukken cops"
 Kak, man, chill, bru, you fuckin' up my high
My chick is checkin out that guy, kom, ons fukken waai
 Dagga, dagga, dagga, dagga, die, die, die
 (Drop the beat Hi-Tek, Jesus Christ)
Dagga, dagga, puff, dagga, dagga, puff, puff
 Ek's lus vir n bietjie bobbejaantwak
 Let's phone Clive, hook up some love
Dagga, dagga, dagga, dagga, puff, puff, puff
 Spokie in die rokie soos n reenboog
 Twee rooi ogies, jus my mond's so droog
 Nogge puff puff, lekker lag lag
Dagga, dagga, dagga, gag, gag, gag
 Off to the cafe with a rumble in my tum
Got the money for the munchies yum yum yum
 Chappies bubblegum or bucket full of fun
Dagga dagga dagga dagga, dum, dum, dum
Early in the morning smoke a big fat spliff
Nothing quite like it like a spaceman spiff
 First you feel kief, then you get muf
Dagga dagga dagga dagga, sif, sif, sif
 Een twee drie vier vyf ses sewe
Rook te veel dagga en dink oor jou lewe
