When I see you once, I wanna see you two more times
When I see you twice, three times, I want to hug you even more
I want to put on couple rings with you and walk together on this street

Even when I see you every day, I like you even more
Even when I pinch myself two times, three times
Itâ€™s like Iâ€™m dreaming, dreaming, I smile just at the thought of you

Mr. Chu, on my lips, chu, sweetly, chu, I lose all strength in my body
You shake up my heart, you shake me up
Iâ€™m falling falling for your love

Hey you, on my lips, chu, every day with you, when I see you, my eyes close
Will you secretly come to me and kiss me again?
Youâ€™re like my dream, youâ€™re my Mr. Chu

I canâ€™t forget the soft feeling, my hot face is getting red
Itâ€™s so lovely, lovely, I keep liking you more

Mr. Chu, on my lips, chu, sweetly, chu, I lose all strength in my body
You shake up my heart, you shake me up
Iâ€™m falling falling for your love

Hey you, on my lips, chu, every day with you, when I see you, my eyes close
Will you secretly come to me and kiss me again?
Youâ€™re like my dream, youâ€™re my

Listen to my wish, I hope an eternal love will come true
I hope this electrifying feeling never changes
Always look at only me baby

Mr. Chu, on my lips, chu, sweetly, chu, I lose all strength in my body
You shake up my heart, you shake me up
Iâ€™m falling falling for your love

Hey you, on my lips, chu, every day with you, when I see you, my eyes close
Will you secretly come to me and kiss me again?
Youâ€™re like my dream, youâ€™re my Mr. Chu
