

Just Like a Woman

The Byrds

Nobody feels any pain
Tonight as I stand inside the rain
Ev'rybody knows
That baby's got new clothes
But lately I been noticing her ribbons and her bows
Are fallin' from her curls
She takes just like a woman, yes she does
And then she makes love like a woman, yes she does
And then she aches just like a woman
But she breaks just like a little girl
Queen Mary, she's my friend
I believe I'll go and see her again
No one would have guessed
That Baby can't be blessed
'Til she sees finally that she's like all the rest
With her fog, with her amphetamine and her pearls
Oh, she takes just like a woman, yes she does
And then she makes love just like a woman, yes she does
And then she aches just like a woman
But she breaks just like a little girl
Can't you see I just won't fit?
I believe it's time for us to quit
And if we meet again
Introduced as friends
Please don't let on that you knew me when
I was hungry and it was your world
Ah, you take just like a woman, yes you do
And then make love like a woman
And then you ache just like a woman
But you break just like a little girl
Well, you fake just like a woman, yes you do
And then make love like a woman
Oh, and then you take just like a woman
But you break just like a little girl
