

# Cornbread

## Middle Class Rut

[Sean sings:]

Maybe I'm a cornbread straight motherfucker

Maybe I'm a worn out featherless hand

Maybe I'm a cornbread straight motherfucker

Maybe I'm a worn out featherless hand Or maybe I'm just picking seed from the wrong one and [Both sing:]

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

No? [Sean sings:]

La dada da da-da da

(Oh, oh, oh, oh, oh, oh, oh, oh)

La dada da da-da da

(Oh, oh, oh, oh, oh, oh, oh, oh) Maybe I'm a one horse town motherfucker

Maybe I'm used up worn out man

Maybe I'm a one horse town motherfucker

Maybe I'm used up worn out man Or maybe I'm just barking up the wrong tree and [Both sing:]

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you?

I'm a cornbread

Can I meet you?

Can I meet you?

Can I meet you? [Sean sings:]

You spend all your life

Dicking at, dicking away at the wrong life

You're a traitor!  
(Oh, oh, oh, oh, oh, oh, oh, oh)  
You're a traitor!  
(Oh, oh, oh, oh, oh, oh, oh, oh) You spend all your time  
Dicking at, dicking away at the wrong life  
You're a traitor!  
(Oh, oh, oh, oh, oh, oh, oh, oh)  
You're a traitor!  
(Oh, oh, oh, oh, oh, oh, oh, oh) [Both sing:]  
Maybe I'm a spineless  
weak-kneed  
yellow bellied he she Maybe I'm an undercover deadbeat  
Suffering cold feet Maybe I'm a spineless  
weak-kneed  
yellow bellied he she Maybe I'm an undercover deadbeat  
Suffering cold feet Or maybe I'm just shooting with the wrong gun and [Both sing:]  
I'm a cornbread  
Can I meet you?  
Can I meet you?  
Can I meet you?  
I'm a cornbread  
Can I meet you?  
Can I meet you?  
Can I meet you? I'm a cornbread  
Can I meet you?  
Can I meet you?  
Can I meet you?  
I'm a cornbread  
Can I meet you?  
Can I meet you?  
Can I meet you? Oh I'm a cornbread  
Can I meet you?  
Can I meet you?  
Can I meet you? Oh I'm a cornbread  
Can I meet you?  
Can I meet you?  
Can I meet you? Oh I'm a cornbread  
Can I meet you?  
Can I meet you?  
Can I meet you? Oh I'm a cornbread  
Can I meet you?  
Can I meet you?  
Can I meet you? No
