Free Spirit

Atlanta Rhythm Section

In the dawning of the social revolution
In an age when, 'do your thing', was never done
I met a woman like I'd never known

A girl with a mind of her own, she spoken freelyShe began to talk about a new horizon She said, "Come with me, babe, we shall overcome"

She said, "Excuse me while I kiss the sky You see some folks were going to die, I was born to run"She was a free spirit

A gypsy with an angel's wings

She was a free spirit

The answer to a dreamer's dreams

Free spiritI still dream about the first time we were lovers

And I can't forget how beautiful it was, yes, it was

It wasn't guilty and it wasn't a shame

It wasn't something that you've got to explain

Lord, it was free loveShe was a free spirit

A gypsy with an angel's wings

She was a free spirit

The answer to a dreamer's dreams

A free spiritShe was a woman, way ahead of her time She had vision when the world was blind, libertyShe was a free spirit

A gypsy with an angel's wings

She was a free spirit

The answer to all my dreamsShe was a free spirit

A gypsy with an angel's wings

She was a free spirit

The answer to all my dreamsShe was a free spirit

A gypsy with an angel's wings

She was a free spirit

Oh, once in a life time, babe
