Born Into A Light

Ryan Adams & The Cardinals

For everything that's wrong
There is a worried man
There is a reason why
We just don't understand but will...
You got to keep the faithBe patient, oh the past
Is just a memory, and heal
Heal your vines, you'll heal inside eventuallyWe were born into a light
We were born a light
We were born into a light
For everyone alone I wish you faith and hope
And all the strength to cope
To be your own best friend
Have confidence and keep the faithBe patient, oh the past
Is just a memory, and heal
Heal your vines, you'll heal inside eventuallyWe were born into a light
We were born into a light
We were born a light
We were born into a light
The Lights
The Lights
The Lights
Not the Lights
