

Be Quiet and Drive (Far Away)

Deftones

This town don't feel mine
I'm fast to get away
Far I dressed you in her clothes
So drive me far away, away, away It feels good to know you're mine
Now drive me far away, away, away Far
Away
I don't care where, just far
Away
I don't care where, just far
Away
I don't care where, just far
Away
I don't care Far
Away
I don't care where, just far
Away
I don't care where, just far
Away
I don't care where, just far
Away
I don't care Far
Away
I don't care where, just far
Away
I don't care where, just far
Away
I don't care where, just far
Away
I don't care Far
Away
I don't care where, just far
Away
I don't care where, just far
Away
I don't care where, just far
Away Said, far
Away
I don't care where, far
Away

I don't care just where, far
Away
