

# High By the Beach

## Lana Del Rey

Boy look at you looking at me  
I know you know how I feel  
Loving you is hard, being here is harder  
You take the wheel  
I don't wanna do this anymore, it's so surreal  
I can't survive if this is all that's real All I wanna do is get high by the beach  
Get high by the beach get high  
All I wanna do is get by by the beach  
Get by baby, baby, bye bye  
The truth is I never bought into your bullshit  
When you would pay tribute to me  
'Cause I know that  
All I wanted to do was get high by the beach  
Get high baby, baby, bye bye Boy look at you looking at me  
I know you don't understand  
You could be a bad motherfucker  
But that don't make you a man  
Now you're just another one of my problems  
Because you got out of hand  
We won't survive we're sinking into the sand All I wanna do is get high by the beach  
Get high by the beach get high  
All I wanna do is get by by the beach  
Get by baby, baby, bye bye  
The truth is I never bought into your bullshit  
When you would pay tribute to me  
'Cause I know that  
All I wanted to do was get high by the beach  
Get high baby, baby, bye bye Lights, camera, acciã³n  
I'll do it on my own  
Don't need your money, money  
To get me what I want  
Lights, camera, acciã³n  
I'll do it on my own  
Don't need your money, money  
To get me what I want All I wanna do is get high by the beach  
Get high by the beach, get high  
All I wanna do is get by by the beach  
Get by baby, baby, bye bye  
The truth is I never bought into your bullshit

When you would pay tribute to me  
'Cause I know that  
All I wanted to do was get high by the beach  
Get high baby, baby, bye bye High-igh-igh-igh-igh-igh-igh-igh  
High-igh-igh-igh-igh-igh  
High-igh-igh-igh-igh-igh-igh  
High-igh-igh-igh-igh-igh-igh Everyone can start again  
Not through love but through revenge  
Through the fire, we're born again  
Peace by vengeance  
Brings the end
