

# Living in Another World

## Talk Talk

Better parted  
I see people crying  
Truth gets harder  
There's no sense in lying Help me  
Find my way from this maze  
I can't help myself When I see tenderness before you left  
(Forget)  
That even breaking up was never meant  
(Forget)  
But only angels look before they tread  
(Forget)(Living in another world to you)  
(Living in another world to you)  
(Living in another world to you) Better parted  
I see people hiding  
Speech gets harder  
There's no sense in writing Help me  
Find the way from this maze  
I can't help myself When I see tenderness before you left  
(Forget)  
That even breaking up was never meant  
(Forget)  
But only angels look before they tread  
(Forget)(Living in another world to you)  
(Living in another world to you)  
(Living in another world to you) Help me  
Find a way from this maze  
I'm living in another world to you  
And I can't help myself Did I see tenderness where you saw hell?  
(Forget)  
Did I see angels in the hand I held?  
(Forget)  
God only knows what kind of tale you'd tell  
(Forget)(Living in another world to you)  
(Living in another world to you)  
(Living in another world to you)
