Stay

Boyzone

(Shoo-do-do oh yeah)
(Oh stay)
Stay
Stay
I wanna show you
Every single dream I got inside of my mind
I wanna love you
Better than you?e ever known before
You are my fantasy
You?e everything to me
Can? watch you walkin?out my door
So why don? you
Stay - for a minute
Give me one more try
Stay with me I? falling apart
Baby won? you
Stay - for a minute
Please don? say goodbye
You and me together
Stay in my life
A new beginning
And let nothing come between us ever again
And somehow, I will be singin? Songs you?e never heard before
You are my fantasy
You?e everything to me
Can? watch you walkin?out my door

Chorus
Give me a second chance
To build a new romance
That? all I? askin?for tonight, baby
Cmon?and take my hand
And try to understand
You gotta stay in my life..ooh..
(Oh yeah)
(Oooooh)
Stay - for a minute
Give me one more try
Stay

Stay with me baby I? falling apart
Please don? say goodbye
Stay with me tonight
Don? say goodbye
Stay in my life
Chorus
Give me one more try, baby
You and me together
Stay in my life
Why don? you
Stay - for a minute
Give me one more try
Stay with me I? falling apart
