

# Can't Hide From Luv (feat. JAY Z)

Mary J. Blige

I'm comin' for you, I ain't wastin' time  
'Cuz all night long, you been on my mind  
Hope you're ready, baby, 'cuz I'm on my way  
To talk a real good one but let's see today I just want to see what you're made of  
Can you handle me, are you really tough?  
Lovers come and go, so what you gonna do?  
Boy, this ain't no joke, it's time to show and prove You can't hide from luv, no, you can't, babe  
I'ma make you want, make you want my luv  
Want to make luv, come to me You can't hide from luv, it's too strong, babe  
I'ma make you want, make you want my luv  
To make luv, come to me Now that I got you, this is what I'm gonna do  
Boy, I need nobody to move like I move  
Wrap your arms around me and don't be shy  
What you feel is a real woman, probably for the first time I just want to see what you're made of  
Can you handle me, are you really tough?  
Lovers come and go, so what you gonna do?  
Boy, this ain't no joke, it's time to show and prove You can't hide from luv, no, you can't, babe  
I'ma make you want, make you want my luv  
Want to make luv, come to me You can't hide from luv, it's too strong, babe  
I'ma make you want, make you want my luv  
To make luv, come to me My love, my love  
My love, my love, my love You can't hide from luv, no, you can't, babe  
I'ma make you want, make you want my luv  
Want to make luv, come to me You can't hide from luv, it's too strong, babe  
I'ma make you want, make you want my luv  
To make luv, come to me You can't hide from luv, no, you can't, babe  
I'ma make you want, make you want my luv  
Want to make luv, come to me You can't hide from luv, it's too strong, babe  
I'ma make you want, make you want my luv  
To make luv, come to me You can't hide from luv 'cause it's coming to get you  
Oh yes, it is You can't hide from luv  
You can't hide from luv  
You can't hide from luv
