Mostly Waving

Emily Haines

Young, thought as I was
Thought as I was, thought as I was
Done, thought as I was
Thought as I was, thought as I wasGet, get the line down
Get the line down, get the line down
Don't elaborate like that
You frighten off the frat boys, use your baby talk
Frighten off, frighten onThis fall, the blues are brown
So turn your horse around now
The blues are brownMissing and mostly waving
Thought as I was
Done, thought as I was
Young, thought as I was
