

Starman

Culture Club

Didn't know what time it was and the lights were low
I leaned back on my radio
"Some cat was layin' down some rock and roll, lotta soul", he said Then the loud sound did seem to fade
Came back like a slow voice on a wave of phase
That weren't no DJ, that was hazy cosmic jive There's a starman waiting in the sky
He'd like to come and meet us
But he thinks he'd blow our minds There's a starman waiting in the sky
He's told us not to blow it
'Cause he knows it's all worthwhile He told me
"Let the children lose it
Let the children use it
Let all the children boogie" I had to phone someone, so I picked on you
Hey, that's far out so you heard him too
Switch on the TV, we may pick him up on channel two Look out your window, I can see the light
If we can sparkle he may land tonight
Don't tell your papa or he'll get us locked up in fright There's a starman waiting in the sky
He'd like to come and meet us
But he thinks he'd blow our minds There's a starman waiting in the sky
He's told us not to blow it
'Cause he knows it's all worthwhile He told me
"Let the children lose it
Let the children use it
Let all the children boogie" Starman waiting in the sky
He'd like to come and meet us
But he thinks he'd blow our minds There's a starman waiting in the sky
He's told us not to blow it
'Cause he knows it's all worthwhile He told me
"Let the children lose it
Let the children use it
Let all the children boogie" La la la la, la la la la
La la la la, la la la la
La la la la, la la la la
