Jump To The Beat

Dannii Minogue

Let's do it
Come on
Hype it up
Come on and jump to the beat
Jump
Come on and dance with me
Come on and jump to the beat
Jump
Come on and dance with me
Your life's a passing star
The price you paid was dear
You make the most of my life
Yet movements dance with fear
Your specialty's only nights
As you and pride compete
Neglect the pain in your heart
Come on and dance with me
Come on and jump to the beat
Jump
Come on and dance with me
Yeah
Come on and jump to the beat
Jump
Come on and dance with me
Ya-ah-ah
Come on and jump to the beat
Jump
Come on and dance with me
Yeah
Come on and jump to the beat
Jump
Come on and dance with me
You never dance alone
When love steps too near
Communicate with me
Your doubts will disappear
If it's love you're searching for
There's plenty love in me
Embrace the good things in life

Come on and dance with me

Come on and jump to the beat
Jump
Come on and dance with me
Yeah
Come on and jump to the beat
Jump
Come on and dance with me
Everybody here say, yeah
Once again this is short and sweet
So check the calorie, jump to the beat
Up two, three, four, encore
Now hit the dance floor
This is how it should be done
As my tongue beats with the drum as one
So what you got to say good lookin'
It's time to get this here jam cookin'
So does you does or does you don't
Wanna keep on frontin' 'cause I won't
If my brothers want to keep on cruisin'
Tell 'em, stop, don't jump to conclusions
Pick your spot, give it all you got
And then rock and send me Forget-Me-Nots
And, yo, as I speak, it's time to freak
So, yo, hop, skip and jump to the beat
Jump to the beat
Ju-jump to the beat
Come on
Come on and jump to the beat
Jump
Come on and dance with me
Come on and jump to the beat
Jump
Come on and dance with me
Yeah
Come on and jump with me
Come on and jump with me
Come on and jump to the beat
Jump
Come on and dance with me
