

The Rain Song

Led Zeppelin

It is the springtime of my loving - the second season I am to know
You are the sunlight in my growing - so little warmth I've felt before.
It isn't hard to feel me glowing - I watched the fire that grew so low.

It is the summer of my smiles - flee from me Keepers of the Gloom.
Speak to me only with your eyes. It is to you I give this tune.
Ain't so hard to recognize - These things are clear to all from time to time.

Talk, talk, talk, talk - I've felt the coldness of my winter
I never thought it would ever go. I cursed the gloom that set upon us, 'pon us, 'pon us...
But I know that I love you so. But I know that I love you so

These are the seasons of emotion and like the wind they rise and fall
This is the wonder of devotion - I see the torch we all must hold.
This is the mystery of the quotient, quotient - Upon us all, upon us all a little rain must fall.
It's just a little rain oh yeah
