# Felony

## Dokken

Felony
What you do to me
It's just like murder
In the first degreeYou're killing my heart
It's a felonyFelony
In tight blue jeans
I did know
She was so sweetYou're killing my heart
It's a felonyI've been shot down
By a heart so cruel
You're laughing
You take me for a foolI've been struck down
Left lying in the dirt
I never knew
How much love could hurtYou're killing my heart
It's a felonySo come on baby
What you gonna do
I can't help myself
Now it's up to youFelony
What you do to me
It's just like murder
In the first degreeYou're killing my heart
It's a felony
What you do to me?
Felony
What you do to me?
