

Get Another Boyfriend

Backstreet Boys

Get another boyfriend
Backstreet
Check it
Hey hey hey, yeah
Let's talk about one baby
You gotta hear me out
Think you really wanna be the last to know
What it's all about
Let's talk about two, you say
He's the essence of your life
But he'll eat you up from inside slow
And then he doesn't wanna know
I'm tellin' you he'll eat you up from inside
And then he doesn't wanna know
Listen, I mean it
There's nothin' that he's worthy of
He's just another player
Playin' in the name of love
I've seen enough
Now this must come to an end
Get another boyfriend
Let's talk about what he's done
To become your number one
Was it all the promises of diamonds pearls and party dresses
That turned you on
I've seen it before
(Don't take)
Anymore
Three to two you're through for sure
Just go get on with your life
(Stop)
Acting like you've given up
I tellin' you to go get on with your life
Stop acting like you've given up
Listen, I mean it
There's nothin' that he's worthy of
He's just another player
Playin' in the name of love
I've seen enough

Now this must come to an end
Get another boyfriend
Whuh whuh why?
Whuh whuh why?
Get another boyfriend
Whuh whuh why?
Whuh whuh why?
Stop
Heeyy
Hear me out
You must know
(You must know)
What's it's all about
(Baby)
He's just a player in love
This must come to an end
Get another boyfriend
Listen, I mean it
(I mean it)
There's nothing that he's worthy of
(Ain't nothing that he's worthy of)
He's just another playa
Playin' in the name of love
I've seen enough
Now this must come to an end
(Get another, get another, get another boyfriend)
Listen, I mean it
(Hear me out)
There's nothing that he's worthy of
(You must know, what it's all about)
He's just another playa'
Playin' in the name of love
(He's just a playa in love)
I've seen enough
Now this must come to an end
(This must come to an end)
Get another boyfriend, get another boyfriend
