## P-Square

Ileke lo'ma jiya  
If I tell you say girl i love you

See the men them, them'ma want you  
But i need you  
I say make i tell you what you don't know  
Say many many don go

But still girl i don't know  
Cause e we get many many i do's  
Wey get plenty aso ebi  
Anything ma-man do  
Plenty plenty eyes dey see

Please don't leave me girl, don't leave me girl  
If you hold me tight, I go treat you right  
Girl if any man put asunder, away  
Thunder na for thunder, away  
Run down we no go run down, away  
We go jump bumper to bumper, away  
Girl if any man put asunder, away  
Thunder na for thunder, away  
Run down we no go run down, away  
We go jump bumper to bumper, away  
Some of them dem dey package

Say many many don go

Anything ma-man do  
Plenty plenty eyes dey see
