Beautiful Girl

Chord Overstreet

Can you hear me, barely breathing?
As you pass me by you're an angel
With that body, got me crazy
Without even trying
I'm a mess, I'm wrecked
...makes me feel likeBeautiful girl, can you see me falling?
All I wanna is you
Make this a beautiful world,
Now my heart is calling, so caught up in you
I wish I could carry you away
And I don't even know your name!
Do you even know, beautiful girl?
Conversations I imagine,
For they're in my head and I wake up
Am I dreaming, Are you here now, baby in my bed
I'm messed, I'm wrecked
If I ask, would you say yes?Beautiful girl, can you see me falling?
All I wanna is you
Make this a beautiful world,
Now my heart is calling, so caught up in you
I wish I could carry you away
And I don't even know your name!
Do you even know you're a beautiful girl?
Yeah, yeah, yeah can you see me falling?
Yeah, baby I'm falling!Can you hear me,
Barely breathing as you pass me by
Beautiful girl, can you see me falling?
All I wanna is you
Make this a beautiful world
Now my heart is calling, so caught up in you
I wish I could care you away
And I don't even know your name!
I'll never let go,
Do you even know you're a beautiful girl?
Yeah, yeah, you know
Do you even know you're a beautiful girl?
