

Masquerade

Symphony X

Shackled in darkness - the forbidden portrait confined to
it's frame

Unbroken silence - a total misfortune and shame

Ragin obsession - this mask of oppression, it hides your
agression from view

This tearing suture renounces the love he once knew Your sacrifice this paradise of innocence

Trust the lie - you falsify the line of truth

You disguise your insolence

Don't deny insanity - mediocrity Save us from this masquerade of lies Kings and fools die in ridicule (save us)

Save us from this masquerade of lies A fallen fortress sees him beneath starless skies

Subsiding deeper - the final farewell in his eyes

Unspoken hero - distrusted and thrust within surmise

Seizing intrusion to unveil his clever disguise Your sacrifice this paradise of innocence

Trust the lie - you falsify the line of truth Save us from this masquerade of lies Kings and fools die in ridicule
(save us)

Save us from this masquerade of lies [Solo] Save us from this masquerade of lies Kings and fools die in ridicule
(save us)

Save us from this masquerade of lies
