Majesty (Demo)

Blind Guardian

Now the time has come for me to leave this land
Take my charge with pride sacrifice
Running and hiding I'm left for the time
To bring back the order of divine
Hunted by goblins no Gandalf to help
With swords in the night
Oh the last part of the game
Decision of death and life
Blood for Sauron they'll call tonight
The final battle cry
Running and hiding I'm left for the time
To bring back the order of divine
There exist no tales and hobbits are crying for all
Children of death
I have a dream the things you've to hide for
Deliver our kingdom and our reich
Don't fall in panic just give me the thing
That I need or I kill
Don't run away for what have I doneOh majesty your kingdom is lost
And you'll leave us behind
Oh majesty your kingdom is lost
And ruins remind of your time
Now come backOh majesty your kingdom is lost
And you'll leave us behind
Oh majesty your kingdom is lost
And ruins remind of your time
Now come backRun, run, run
