

Every Thought of Mine

Aldous RH

Every thought of mine is you
So how could I forget how you made me feel that night
What wrong did I do
Cause I needed you
I never know if Iâ€™ll ever lie
But I hope thereâ€™s a chance Iâ€™ll get you
Itâ€™s you
Itâ€™s you
Itâ€™s you
Itâ€™s you
Itâ€™s you
Itâ€™s you
