

# (hey You) Free Up Your Mind

Emma Bunton

Hey, you over there  
Know you gotta problem  
But don't despair see me  
I had no soul 'til I found myself  
With the rock n roll  
There must be something  
That you're longing  
To be give in to the rhythm  
Let the music free up your mind  
Let the music free up your mind  
And it will help you define  
'Cause it will give you a sign  
Ohh, let the music free up your mind  
Free up your mind  
Hey you over there, don't wanna hear  
The reasons 'cause I don't care  
See me, believe in you  
Gotta help yourself, whatcha gonna do?  
There must be something  
That you're longing to say  
Give in to the rhythm,  
Let the music free up your mind  
Let the music free up your mind  
And it will help you define  
'Cause it will give you a sign  
Ohh, let the music free up your mind  
Free up your mind  
Hey you, hey you, hey you  
Hey you, hey you, hey you  
Hey you, free up your mind  
Hey you over there  
Know you gotta problem  
But don't despair see me  
I had no soul 'till I found myself  
With the rockin' rock 'n roll  
Rock n roll  
Let the music free up your mind  
And it will help you define  
'Cause it will give you a sign

Ohh, let the music free up your mind  
Free up your mind  
Hey you, hey you, hey you  
Hey you, hey you  
Let the music free up your mind  
And it will help you define  
'Cause it will give you a sign  
Ohh, let the music free up your mind  
Free up your mind  
Let the music free up your mind  
And it will help you define  
'Cause it will give you a sign  
Ohh, let the music free up your mind  
Free up your mind  
Free up your mind
