

Never Knew Love Like This Before

[Stephanie Mills](#)

I never knew love like this before
Now I'm lonely never more
Since you came into my life
You are my lovelight, this I know
And I'll never let you go
You my all, you're part of me
Once I was lost and now I'm found
Then you turned my world around
When I need you, I call your name
'Cause I never knew love like this before, opened my eyes
'Cause I never knew love like this before, what a surprise
'Cause I never knew love like this before
This feeling's so deep inside of me
Such a tender fantasy
You're the one I'm living for
You are my sunlight and my rain
And time could never change
What we share forever more, ooh
I never knew love like this before
Now I'm lonely never more
Since you came into my life
'Cause I never knew love like this before, opened my eyes
'Cause I never knew love like this before, what a surprise
'Cause I never knew love like this before, inside of me
I never knew love like this before, opened my eyes
Never, never, never knew love like this
Never, never, never knew love like this
Never, never
