

Wild Horses (feat. Jay Sean)

Antonia

Bad girls and the good boys
That's me and you!
Two hearts, different worlds,
That's me and you!Pre-chorus:
 Oh oh oh why keep trying
 Oh oh oh if you're trying alone
 Oh oh oh, I'm trying to tell you
Let it go, I think you'd betterChorus:
 Beware of those wild horses
Some hearts, they can't be tamed, can't be tamed!
 Go ahead and build your fences
 Somehow I still escape, still escape!
 In the night, we are racing hearts
 In the light, we are miles apart
 Beware of those wild horses
You watch them ride away, ride away, ey!Oh, oh, na, na
 Our love you can't control,
 That's me, and you!
 Young love trying to be old
That's me, and you!Pre-chorus:
 Oh oh oh I keep trying
 Oh oh oh if you're trying alone
 Oh oh oh, I'm trying tell you
Let it go, I think you'd betterChorus:
 Beware of those wild horses
Some hearts, they can't be tamed, can't be tamed!
 Go ahead and build your fences
 Somehow I still escape, still escape!
 In the night, we are racing hearts
 In the light, we are miles apart
 Beware of those wild horses
You watch them ride away, ride away, ey!Why're you always looking for someone to save?
 Why'd you always wanna do things the hard way?
 You can change the person, but people don't change
Why'd you always wanna do things the hard way?!Chorus:
 Beware of those wild horses
Some hearts, they can't be tamed, can't be tamed!
 Go ahead and build your fences
 Somehow I still escape, still escape!

In the night, we are racing hearts
In the light, we are miles apart
Beware of those wild horses
You watch them ride away, ride away, ey!
