

# Do You Really Need Me?

## K.b. Caps

Can't you see  
You and me  
Don't you know  
You've got to show  
That you care for me  
The night is dark  
No light no spark  
No way to go  
I miss you so, oh

Do you really need me  
Do you really care  
I just wanna please you  
I've got so much to share (I've got so much to share)

Hold me tight  
Through the night  
Take my hand  
Show me the land  
People share tonight  
The night is bright  
The sparkling light  
A place to go  
I love you so, oh

Do you really need me  
Do you really care  
I just wanna please you  
I've got so much to share (I've got so much to share)...

...tight ...light ....take ...people ...tonight ...the the ...this this ... ah ah go go... I I... oh oh...

Do you really need me  
Do you really care  
I just wanna please you  
I've got so much to share (I've got so much to share)...
