

# Trembling Sadness (Radio Edit)

Alex Ender & Jo Cartwright

Trembling Sadness  
Alex Ender & Jo Cartwright

Bent and broken,  
Every dream shattered into dust.  
Arms opened,  
Every prayer ruined by distrust.

I'm on my knees  
Bound to the ground  
I cannot breathe,  
Cannot make a sound.

Love is a trembling sadness,  
When you wake up alone  
No-one there  
To help you carry on.

An empty heart without her,  
Love is a trembling sadness,  
All alone.
