Love In the Present Tense

Chase Coy

Do You Remember The Summers,
When We Still Under
The Impression That Time Would Stand Still Just For Us
Then Like A Dream It Ended So Suddenly,
We Couldn't Even Speak, We Couldn't Even SpeakBut I've Made Peace With The Past
Cause I've Got Something Better Than That,
Yeah, I've Got Something Better Than Better Than That
I've Got You
And I've Got Love In The Present Tense. I've Got You.
And I've Got More Of Us To Look Forward To....Do You Remember The Things We Said, Were Matters Of Life And Death
Well They All Seem Less Important To Me Now.
And Like A Dream It Ended So Suddenly, We Couldn't Even Speak.
We Couldn't Even Speak.
But I've Made Peace With The Past, Cause I've Got Something Better Than That. Yeah,
I've Got Something Better Than Better Than That.
I've Got You.
And I've Got Love In The Present Tense. I've Got You.
And I've Got More Of Us To Look Forward To.
I've Got You. (I've Got You)
And I've Got Love In The Present Tense.
I've Got You. (I've Got You)
And I've Got More Of Us To Look Forward To
