

# Spanish Joint (Osage Remix)

**D'Angelo**

Whenever it rains I feel this way  
A little somethin' to get me through this day  
Give me a little that, no time flat  
Gonna be a good thing  
Serene, but in need of feelin' free  
Lettin' go and landin' on my feet  
Brushed the dirt off my back, no time flat  
Gonna be a good thing Well, people believe this sayin' is true  
Whatever will be, will forever do  
Whatever the cost, I'll pay in full  
I ain't got nothin' to do with you Gotta get out, gotta get out of here  
I'm in the dark and the light looks sincere  
Brushed the dirt off my back, no time flat  
Gonna be a good thing  
All you do is complain about your pain  
And the cloud that follows you won't cease to rain  
Don't look back, handle that  
Make it into a good thing Somethin' in me's gotta be  
Soul controller in control of me  
A link in your chain just won't do  
I don't want nothin' to do with you  
'Sup?  
Somethin' stirrin' inside of me's gotta be  
Soul controller in control of me  
A link in your chain just won't do  
I don't want nothin' to do with you Well, people believe this sayin' is true  
Whatever will be, will forever do  
Whatever the cost, I'll pay in full  
I ain't got nothin' to do with you I ain't got nothin' to do with you
