Devotion

The New Division

My devotional ties are keeping me around*
For its safer at night to stay around the house
And if the weather's grey, and if the mornings are cold
I'll just sit and I'll pray, I'll open the doors
When the pressure's on
That's when I lose myself
But I'm still holding on
To much better days
My devotional ties are making me feel
So restless tonight, I lose my sinner guilt
And if the weather's turning grey, and if the mornings are cold
I just sit and I pray, I open up the door
When the pressure's on
That's when I lose myself
But I'm still holding on
To much better days
Oooo, ooo, ooo (4x)
