

# Pain

## Katchafire

Calling Mr Mellow  
Mr Mellow can you hear me calling  
Are you the lucky fellow  
Who can tell me what will stop this feeling Pain  
Pain  
Put your hands over your eyes  
When you see them crying  
Oh Pain  
(give me) Pain  
Take a look at what you lost  
When you see them dying  
Oh Pain  
(give me) Pain  
Put your hands over your eyes  
When you see them crying  
Oh Pain  
(give me) Pain  
Take a look at what you lost  
When you see the ground spinning  
oh pain pain pain  
Who do you feel close to now?  
Calling Mrs Hello  
Mrs Hello can you see me waving  
Are you the lucky fellow  
Who could tell me what will stop the killing  
Oh Pain  
Pain  
Put your hands over your eyes  
When you see them crying  
Oh Pain  
(give me) Pain  
Take a look at what you lost  
When you see the ground spinning  
oh pain (give me) pain  
Put your hands over your eyes  
When you see them dyin  
Oh Pain  
(give me) Pain  
Take a look at what you lost

When you see the ground spinning  
oh pain pain pain  
Do you feel pain pain pain  
Who do you feel close to now? Calling Mr Hemo  
Mr Hemo I can see you waving  
I'm the lucky fellow  
I took your daughter and I gave her cravings  
Oh Pain  
Pain  
Put your hands over your eyes  
When you see them crying  
Oh Pain  
(give me)Pain  
Take a look at what you lost  
When you see them dying  
oh pain pain  
Put your hands over your eyes  
When you see them cryin  
Oh Pain  
(give me)Pain  
Take a look at what you lost  
When you see the ground spinning  
oh pain pain pain Do you feel pain pain pain  
Who do you feel close to now?
