

# Vanity Suit

## Planet of Zeus

He wears a black suit and tie  
He lives by live and let die  
His only God is the numbers on his bank account and  
His shoes are shiny and clean,  
but he can't wash off his sins  
And he would step on your dreams  
to get all that he needsDon't even try to look right into his eyes  
He's gonna take you with him (x2)You know I'll never grow up  
Don't feel ashamed just relax  
I start to feel like the man  
I've always wanted to be  
You know I'll never grow old  
At least my soul is not sold  
and what is good for you  
for me is so wrongDon't even try to look right into his eyes  
He's gonna take you with him (x2)
