

Search for More (Syrge Remix)

From Indian Lakes

We don't feel at all.
With our hands out.
We beg for more.
And you clearly died when I heard the call.
You black out,
I search for more. You fall in love.
Don't waste it all.
It won't be long, but if I can't make it back,
will I know you're not alone and fading?
Do we see the same blue eyes?
If I gave nothing back.
You think you know what's coming till you're fading.
Don't close your eyes.
And does it hurt at all
to find out
you're nothing more?
I waited night after night after night.
Can you come out?
I thirst for more. You fall in love.
Don't waste it all.
It won't be long, but if I can't make it back,
will I know you're not alone and fading?
Do we see the same blue eyes?
If I gave nothing back?
You think you know what's coming till you're fading.
Don't close your eyes.
But if I can't make it back,
will I know you're not alone and fading?
Do we see the same blue eyes?
If I gave nothing back?
You think you know what's coming till you're fading.
Just close your eyes.
