I Want It

Sludgefeast

Aaa
I'm feeling like an angel
Oh, I'm feeling like a buttercup
We're sailin' around the world
Yeah, I like the kind of irony in my life
Don't you know that I'm your angel?
Don't you know, we are all paranoid?
Don't you know that I am in anger?
Yes, I come out at night and surprise you with our
Right now
(I want it, I want it)
Right now
(I want it, I want it)
Right now
(I want it, I want it)
Right now
I want it right now
I?ll bake you like cookies
Guano around the world
Forty five degrees and we smile
We love what we do and you do what we
Want now
(I want it, I want it)
Right now
(I want it, I want it)
Right now
(I want it, I want it)
Right now
(I want it right now)
Right now
Right now
Right now
Right now
Get up with the storm and running all my life
Get up with the storm and running all my life
Get up with the storm and running all my life
Get up with the storm and running all my life
Get up with the storm and running all my life
Get up with the storm and running all my life

Get up with the storm and running all my life
Get up with the storm and running all my life
Get up with the storm and running all my life
Get up with the storm and running all my life
Get up with the storm and running all my life
Get up with the storm and running all my life
Right now
(I want it, I want it)
Right now
(I want it, I want it)
Right now
(I want it, I want it)
Right now
(I want it right now)
Right now
Right now
Right now
Right now
(Right now)
We?re here, we?re alive, we?re around
(Right now)
And we act like fools
(Right now)
We?re here, we?re alive, we?re around
(Right now)
And we act like fools come and [Incomprehensible]
