Love's Tears

Jon Secada

Lady, don't be discouraged
As to what we can do, where we can go
Woman, don't you be worried
As to what we don't know
But what the future holdsSo hold on, we can survive
With destiny on our sideLove's tears, won't let me cry
They get in the way of what I feel inside
There's so much more that I want to show
But deep in my heart
Love's tears are drowning me soLady, can you imagine the beauty within
When tenderness grows
Tell me is there always a reason
For all that we do if love's really trueSo help us, turn every stone
Till all our fears are goneLove's tears, won't let me cry
They get in the way of what I feel inside
There's so much more that I want to show
But deep in my heart
Love's tears are drowning me soSo hold on, we can survive
With destiny on our sideLove's tears, won't let me cry
They get in the way of what I feel inside
There's so much more that I want to show
But deep in my heart
Love's tears are drowning me so
