

Love's Tears

[Jon Secada](#)

Lady, don't be discouraged
As to what we can do, where we can go
Woman, don't you be worried
As to what we don't know
But what the future holds So hold on, we can survive
With destiny on our side Love's tears, won't let me cry
They get in the way of what I feel inside
There's so much more that I want to show
But deep in my heart
Love's tears are drowning me so Lady, can you imagine the beauty within
When tenderness grows
Tell me is there always a reason
For all that we do if love's really true So help us, turn every stone
Till all our fears are gone Love's tears, won't let me cry
They get in the way of what I feel inside
There's so much more that I want to show
But deep in my heart
Love's tears are drowning me so So hold on, we can survive
With destiny on our side Love's tears, won't let me cry
They get in the way of what I feel inside
There's so much more that I want to show
But deep in my heart
Love's tears are drowning me so
