

Die You Bastard

Motörhead

Back to the nightmare

You can smell the danger
Watch your step
See the friendly stranger
Stretch your neck
Keep them in the dark
Now, it's alright
You know they only come out at night

Your shadow's alive
It breathes at your side
Got no place to hide
Be with you till the day you die

You can hear the whispers
Shut your mouth
Deal with the misfits, wipe them out
Search in all the bedrooms
Use your head
Listen to your conscience
Wake the dead

Your shadow's alive
It breathes at your side
Got no place to hide
Be with you till the day you die
The day you die

Mother kissed the vampire
Shut the door
Rats in all the rooms, babe
Hit the floor
I say it's a gamble
But what's your sign?
Up way at the downside, stay in line

Your shadow's alive
It breathes at your side
There's no place to hide

Be with you till the day you die

Die, die, die you bastard
