Party

Demi Lovato

I saw you lookin' over
Now I see you movin this way
Pushin through the crowd
Like you got somethin to say, yeahBut you couldnt walk
Cause the musics takin over your feet
I can tell by your toes
That youre rockin to this beatYou gotta dance til you ache
Til you drop, til you break
Free your soul, let me see you shake
One by one were stealin the stage
Here we come, so get out of our wayIt wont be long til the summers gone
Get your party on, so well sing along
Hold on tight, its a crazy night
Get your party on, so well scream it out loud
YeahI know your type and all the hype is goin
Straight to your head
And everybodys stoppin what their doin
Cause your face is turnin red, yeahGotta learn how to move to the groove
Give in, or get out
Put your hands in the air, stand up
In your chair and shoutYoure all dolled up with nowhere to go
You wanna get out and put on a show
Theres nothin wrong with stayin home
As long as youve got your radioIt wont be long til the summers gone
Get your party on, so well sing along
Hold on tight, its a crazy night
Get your party on, so well scream itDont wanna wait and dont ya be late
Get your party on, so well sing along
Hold on tight, its a crazy night
Get your party on, so well scream it out loudCome on, tell you to take me
Bring it home for me, babyThe little things that you do
From across the room
I see youre sendin me clues
There in the way you make me moveIt wont be long til the summers gone
Get your party on, so well sing along
Hold on tight, its a crazy night
Get your party on, so well scream itDont wanna wait and dont you be late
Get your party on, so well sing along
Hold on tight, its a crazy night

Get your party on and scream it out loudGet your party on
Get your, get your party on
(Scream it out loud)
Get your party on
Get your, get your party onLets do it again
