She's Madonna

Robbie Williams

Ooh, Madonna
Ooh, Madonna
Ooh, Madonna
I don't miss you just who you used to be
And you don't ring true so please stop calling me
Your I love you's are ten a penny
You're dropping clues like you've got any
You've got to choose, there's been so many
I love you baby but face it, she's Madonna
No man on earth could say that he don't want her
This look of love says I'm leaving
You're frozen now I've done the freezing
I'm walking out, Madonna's calling me
She's got to be obscene to be believed
That's her routine, not what she means to me
I found myself by circumstance
Across a room where people dance
And quite by chance she' danced right next me
I love you baby but face it, she's Madonna
No man on earth would say that he don't want her
It's me not you, I've got to move on
You're younger too but she's got her groove on
I'm sorry love, Madonna's calling me
Ooh, Madonna
Ooh, Madonna
Ooh, Madonna
I want to tell you a secret
We're having drinks with Kate and Stella
Gwyneth's her, she's brought her fella
But all I wanna do is take Madonna home
I love you baby but face it, she's Madonna
No man on earth would say that he don't want her
It's me not you, I've got to move on
You're younger too but she's got her groove on
I'm sorry love, Madonna's calling me
