

XO TOUR Llif3

Lil Uzi Vert

[Intro]

Are you alright?

I'm alright, I'm quite alright

And my money's right

8... (yeah)

Countin' them bands all way to the top, 'til they be fallin' over
Countin' them bands, on the way to the top, 'til we fallin' over[Hook]

I don't really care if you cry

On the real you should've never lied

Should've saw the way she looked me in my eyes

She said "Baby, I am not afraid to die"

Push me to the edge

All my friends are dead

Push me to the edge

All my friends are dead

Push me to the edge

All my friends are dead

Push me to the edge[Verse 1]

Phantom that's all red

Inside all white

Like something you ride a sled down

I just want that head

My Brittany got mad

I'm barely her man now

Everybody got the same swag now

Watch the way I tear it down

Stackin' my bands all the way to the top

All the way till it be fallin' over

Every time that you leave your spot

Your girlfriend call me like "Come on over"

I like the way that she treat me

Gon' leave you, won't leave me

I call it that Casanova

She say I'm insane, yeah

I might blow my brains out

Xanny help the pain, yeah

Please, Xanny make it go away

I'm committed, not addicted but it keep controlling me

All the pain, now I can't feel it, I swear that it's slowing me, yeah[Hook]

I don't really care if you cry
On the real, you should've never lied
Saw the way she looked me in my eyes
She said "I am not afraid to die"
All my friends are dead
Push me to the edge
All my friends are dead
Push me to the edge
All my friends are dead, yeah
All my friends are dead, yeah[Verse 2]
That is not your swag, I swear you fakin'
Now these niggas wanna take my cadence
Rain on 'em, thunderstorm, rain on 'em
Medicine, lil' nigga take some
Fast car, Nascar, race 'em
In the club, they got no ones, then we were baked now
Clothes from overseas
Got the racks and they all C-Notes
You is not a G, though
Look at you stackin' all your money, it all green though
I was counting that and you saw twenties, that's a G-roll[Bridge]
She said
You're the worst; you're the worst
I cannot die because this my universe[Hook]
I don't really care if you cry
On the real, you should've never lied
Should've saw the way she looked me in my eyes
She said "Baby, I am not afraid to die"
Push me to the edge
All my friends are dead
Push me to the edge
All my friends are dead
Push me to the edge
All my friends are dead
Push me to the edge
