

New Life (Part 1) [feat. Notelle]

Venemy

Oh won't you let me close my eye-s a-a-ah...

Oh won't you let me close my eye-s a-a-ah...

Lying to hope-
-it's too cold out.

When I'm asleep I make believe.
When I'm asleep I make believe.

Whoa-oh-oh-oh-oh-whoa-oh-

Oh-I I need a new day,
And if it doesn't go my way,
Oh-I I need to hear you say:
Tell me we'll both stop dreaming.
Oh-I I'll need a new dawn,
And if you see the morning light,
Oh-I I want to know it's gone.
Tell me we'll wake up dreaming.

Oh won't you let me close my eye-s a-a-ah...

Tell me we'll wake up dreaming...

Oh won't you let me close my eye-s a-a-ah...

Won't you let me close my eye-----s...

Oh won't you let me close my eye-s a-a-ah...

Every time I tried, every time I-
Every time I tried to run away.
Out of all the things I've done, you're the only one-
The only one who makes me stay.
Only one who makes me stay.
The only one who makes me stay.
The only one who makes me stay.
Only one who makes me stay.

Oh-I I need a new day,
And if it doesn't go my way,
Oh-I I need to hear you say:
Tell me we'll both stop dreaming.

Oh-I I'll need a new dawn,
And if you see the morning light,
Oh-I I want to know it's gone.
Tell me we'll wake up dreaming.

Oh-
-a-ah...

Tell me we'll wake up dream-ming-ing-ing-ing-ing...

Oh won't you let me close both my eye-s a-a-a-ah-I...

Oh won't you let me close my eye-s a-a-ah...

Oh won't you let me close my eye-s a-a-ah...

Oh won't you let me close both my eye-s a-a-ah...
