Black Night

Stratovarius

Over the sea
Moon's shining bright on it's way
To clear the black night
Witness of the fightYou got the power on me
I'll be fighting forever
You cast the spell on me
Why don't you let me go?
No, no, no, no, noDay will dawn
For me and for you, carry on
Black night is gone
Look, what we have doneI got the power on you
We'll be fighting forever
I cast the spell on you
Never let you go
No, no, no, no, noI got the power on you
We'll be fighting forever
I cast the spell on you
Never let you go
No, no, no, no, noBlack night
Alright
Black night
